H. B. No. 107-X—(1957 Extraordinary Session) An Act cancelling and setting aside certain instrument of dedication made by the trustees of the Internal Improvement Fund of the State of Florida of lands in Monroe County, Florida, under management of the Florida Board of Parks and Historic Memorials, as an overseas parkway and vesting full power and control of said lands in said trustees of the Internal Improvement Fund of the State of Florida; fixing an effective date.

The Governor's objections attached thereto as follows:

STATE OF FLORIDA
OFFICE OF THE GOVERNOR
TALLAHASSEE

October 29, 1957

Hon. R. A. Gray
Secretary of State
Capitol Building
Tallahassee, Florida

Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, House Bill No. 107-X, enacted by the Legislature, extraordinary session, 1957, and entitled:

"AN ACT CANCELLING AND SETTING ASIDE CERTAIN INSTRUMENT OF DEDICATION MADE BY THE TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA OF LANDS IN MONROE COUNTY, FLORIDA, UNDER MANAGEMENT OF THE FLORIDA BOARD OF PARKS AND HISTORIC MEMORIALS, AS AN OVERSEAS PARKWAY AND VESTING FULL POWER AND CONTROL OF SAID LANDS IN SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA; FIXING AN EFFECTIVE DATE."

In 1951, the Trustees of the Internal Improvement Fund dedicated for park purposes and placed under the management of the State Board of Parks and Historic Memorials certain state-owned lands, upland and submerged, alongside the Overseas Highway to Key West.

This bill would terminate that dedication for park purposes, divest the State Board of Parks and Historic Memorials of any jurisdiction over these lands and return the lands to the control of the Trustees of the Internal Improvement Fund. If this should occur, doubtless the Trustees then would be besieged with applicants to purchase.

It is true that much of these lands are submerged; that they would be either unsuitable or uneconomic for filling in as park uplands; that many of these lands might more properly be developed commercially, thus placing additional property on the tax rolls of Monroe County. It is further true that the Trustees of the Internal Improvement Fund have established a rigid policy of endeavoring to make only those sales which are in the public interest.

However, there is considerable confusion among state agencies which have responsibilities in the Keys—such as the Trustees, the Park Board, the Board of Conservation, the State Road Department, and the Game and Fresh Water Fish Commission—as to just where lines of responsibility lie.

In an attempt to arrive at a sound delineation of these responsibilities, the various interested state agencies, at the request of the Park Board, conferred on October 23, 1957. It was decided that an Interagency Committee, representing all interested state agencies, would be formed to arrive at a consistent and sound state policy supported by common agreement of all agencies, regarding ownership and management of state lands in the Keys.

As a first step, the Road Department will compile an up-to-date inventory of its holdings in the Keys.

Until such a policy has been determined, none of the interested agencies intends to make any disposition of any lands in the Keys without first consulting with the other interested agencies.

Therefore, the passage of this legislation, which would make a major alteration in the state's previously established policy regarding Park Board management of state-owned lands along the Overseas Highway in the Keys, would only contribute further to confusion of an issue now in the process of being clarified.

In addition, the Florida Keys are of great importance to all of Florida, and it is not sound procedure to materially alter a vital statewide policy through local legislation, which I am advised this bill was essentially regarded to be.

If, after the interested state agencies have agreed upon a uniform policy regarding these lands, it is determined that legislation is needed, such may well be enacted in the next regular session.

For the foregoing reasons, I withhold my approval from House Bill No. 107-X, extraordinary session of 1957, and do hereby veto the same.

Respectfully,

LeRoy Collins
Governor

—and respectfully requests the concurrence of the Senate therein.

Respectfully,

LAMAR BLEDSOE,
Chief Clerk, House of Representatives.

The President put the question, "Shall the Bill pass, the Governor's objections to the contrary notwithstanding?"

Upon the passage of House Bill No. 107-X (1957 Extraordinary Session) the roll was called and the vote was:

Yeas—26.

Mr. President	Clarke	Gibbons	Melton
Adams	Connor	Gresham	Pearce
Beall	Cross	Hair	Rawls
Belser	Davis	Hodges	Ripley
Brackin	Edwards	Johns	Stratton
Bronson	Gautier	Kelly	
Carraway	Getzen	Knight	

Nays—11.

Boyd	Eaton	Pope	Sutton
Carlton	Houghton	Price	Tedder
Dickinson	Kicliter	Stenstrom	

So House Bill No. 107-X (1957 Extraordinary Session) passed by the required Constitutional two-thirds vote of all members present, the Governor's objections to the contrary notwithstanding, and the action of the Senate was ordered certified to the House of Representatives.

The following message from the House of Representatives was read:

Tallahassee, Florida,
April 24, 1959.

The Honorable Dewey M. Johnson,
President of the Senate.

Sir:

I am directed by the House of Representatives to inform the Senate that the House of Representatives has passed by the required Constitutional two-thirds vote of all Members of the House of Representatives present on April 23, 1959, the Governor's objections to the contrary notwithstanding—

H. B. No. 1598—(1957 Regular Session)—An Act providing for the relief of C. L. Morgan of Wewahitchka, Florida; making appropriation therefor; setting effective date.

The Governor's objections attached thereto as follows:

STATE OF FLORIDA

OFFICE OF THE GOVERNOR

TALLAHASSEE

June 28, 1957

Hon. R. A. Gray
Secretary of State
State Capitol
Tallahassee, Florida

Sir:

Pursuant to the authority vested in me as Governor of Florida, under the provisions of Section 28, Article III, of the Constitution of this State, I hereby transmit to you, with my objections, House Bill No. 1598, enacted by the Legislature of 1957, and entitled:

"AN ACT PROVIDING FOR THE RELIEF OF C. L. MORGAN OF WEWAHITCHKA, FLORIDA; MAKING APPROPRIATION THEREFOR; SETTING EFFECTIVE DATE."

This bill seeks to compensate C. L. Morgan for "security" allegedly lost as a result of claimed negligence on the part of the Motor Vehicle Commission. Actually there is no assertion that the debt for which the "security" has allegedly been lost is not otherwise collectible.

The question arose over the claim of lien filed by Mr. Morgan on the basis of a chattel mortgage and a title application filed by a third party.

Since there were conflicting claims involved, the Motor Vehicle Commission refused to issue any title under Section 319.24 of the Florida Statutes. The matter is presently pending and can be settled by either party involved under procedures set forth in the above cited section.

To compensate from State funds individuals who have outstanding methods of redress is an untentable concept of government.

For the foregoing reason, I, therefore, withhold my approval from House Bill No. 1598, Regular Session of the Legislature, 1957, and do hereby veto the same.

Respectfully,

LeRoy Collins
Governor

—and respectfully requests the concurrence of the Senate therein.

Respectfully,

LAMAR BLEDSOE,
Chief Clerk, House of Representatives.
